## Jondahl Paces Skiers

Although finishing low in the Lake Conference standings, the Wayzata Ski Team showed a great amount of pazazz last season. The high point of the season came last February when Bruce Jondahl placed 67th in the jumping competition of the state meet. He also placed 51st out of 106 in the slalom.

Other stalwarts of the team were Paul Pettit, Tom Stevens, Bob Perkins, Steve Lofgren, and Gary Johnson.

## Fencers Foil Opponents

The fencers lunged their way through another profitable year. Mary Hasek took the High School Championship for girls. Jerry Lopez came in second in the same meet for boys. J. C. Hawthorne came in third.

The club had several meets with Mankato State College and St. Louis Park High School. The team had a lot of new blood this year so they gained valuable experience. Mr. Peterson, coach, gave the group the benefit of his great skill in the sport.

Little to be remembered happenings were broken foils along with the reaction of the opponent, Pat Bauer's deft attacks, the Monday night social hour, and Mary Hasek all in white.
