Solstad, R. Coursen, J. Erickson, T.

Hockey band stoically pounded out the school song.

Highlighting the W.H.S. band's out of class contributions to the community this year have been marching for football games, several concerts, the annual Pop Concert, sponsoring of the semi-formal Christmas Dance, and participating in the State Band Contest. All this has been under the baton of Mr. Woody Budnick.

The purchase of new marching uniforms was a distinct event this year. The band, decked in traditional navy blue will sport high, fluffy, light blue hats while marching. Also new were the navy blue blazers that members bought for concert performances. In addition to group efforts, individuals displayed their talents at the District and State Solo and Ensemble Contest.
