

# Parade, Game, Dance, Climax Homecoming

With Queen Mary leading in her Lincoln, the parade wended its way down main street, delighting young and old. GAA's outstanding float with canoes that really rocked copped first prize in the float contest, while the Senior's attempt, "R.I.P. Hopkins", pulled by six volkswagens, came in second. Even the parents got into the act by piling into a pick-up truck, and the cheerleaders rode in a boat on a trailer.

Spirits were high when the team roared through the victory hoop to begin the game, and the crowd raised the roof when Wayzata tied tough Hopkins 0-0.

The dance, based on the theme "Italian Harvest", included genuine pizzas from Dino's. Music by the Victor's heralded the close of Homecoming '66.
